A true crafter never has enough craft stuff, so what's the best gift for a crafter? More crafts, of course!

Available in denominations from £5 to £200, or a voucher for a specific class, there's a voucher to cover anything.

The Little Craftery's Little Voucher can be used on any class booking at The Little Craftery, so it's the perfect gift for that crafter in your life.

Craft at Home Kits

Kick-start your craft with our very own Craft-at-Home range!

Craft with a friend! Each kit contains enough materials for two people to craft together (or one person to make at least two projects)

All kits include a fully-illustrated instruction booklet, and an online instructional video (some extra tools may be required).

A great gift for the crafter in your life (or a fabulous treat for yourself)
